

Recorded String Seating Auditions

1. Please record all excerpts on a single track, NOT separate tracks for each excerpt. **Audio recordings, NOT video.**
2. What works well is to record from your phone/device (Voice Recorder on an iPhone, etc.), as the recordings will typically be auto-compressed, making them small enough to send via email. Preferred file types are mp3, mp4, WAV, and m4a.
3. Do NOT say your name. Simply play through all excerpts without stopping the recording between.
4. Save your recording. Rename the file with your Name, Orchestra and Instrument.

For Example: “Janette Brown Philharmonic Violin 2.mp3”

5. No preference will be given to a recording's acoustic sophistication. A recording made from a living room will be treated the same as a recording made from a church sanctuary.
5. Please email your recording to janette@indianapolisyouthorchestra.org by **11:59pm on Sunday, January 12, 2020.**
